Was Ihr Unternehmen macht

Digital signature of documents

The electronic signature provided by DeepSign allows incorporating a new company without the need to move to a physical location.

Fast online identification

With the DeepID identification system you can save time and identify the founders of the company without meeting a notary in person.

Quick and integrated capital deposits account opening

Fintech Yapeal allows you to open a capital deposit account in seconds without having to visit an office.

Create a company in hours, not days. —
